

Refund Policy

Introduction

Our refund policy is designed to ensure a fair and transparent process for all customers. Please read the following guidelines carefully before requesting a refund.

Eligibility for Refund

Customers are eligible for a refund if:

- The product was received damaged or defective.
- The wrong product was delivered.
- The order was cancelled before shipment.
- A duplicate payment was made.
- The service purchased could not be delivered due to a technical issue.

Refund requests that do not meet these conditions may be declined.

Refund Request Timeframe

Customers must submit a refund request within the following time limits:

Purchase Type	Refund Window
-----	-----
Physical Products	Within 30 days of delivery
Digital Products	Within 7 days of purchase
Subscription Services	Within 14 days of initial purchase

Requests submitted after the eligible period may not qualify for a refund.

Non-Refundable Items

The following items are not eligible for refunds:

- Gift cards
- Downloaded digital products
- Personalized or customized products
- Clearance or final sale items
- Services that have already been fully delivered

- Required information is missing.
- The product shows signs of misuse.
- The returned product is incomplete.
- The request violates company policy.

Frequently Asked Questions

Can I cancel my refund request?

Yes. Refund requests can be cancelled while they are still under review.

Can I exchange a product instead of receiving a refund?

Yes. Eligible products may be exchanged depending on product availability.

What happens if my refund is rejected?

You will receive an email explaining the reason for rejection. If you believe the decision was incorrect, you may contact customer support for further review.

Will shipping charges be refunded?

Shipping charges are refunded only when the refund is due to an incorrect, damaged, or defective product.
